FULL BAND & SOLO · 2026

We keep it simple. We're a small band and we know what small rooms can do. Here's what makes a good night for us. If something doesn't work for your venue, let us know when we advance and we'll sort it out.

PER SHOW

ITEM	DETAILS	BAND / SOLO
Water	Bottled or a jug with cups, on stage before we play.	3 / 1
Drinks	Drink tickets or a tab: beer, non-alcoholic, or soft drinks.	2 per person
Meal	A hot meal per performer, or a buyout. We'll send dietary needs when we advance.	3 / 1
Guest list	Names sent by noon on show day.	+4 / +2
Parking	One spot close to the load-in door for a car or van.	1

SPACE

- A safe place for cases, coats, the guitar and the upright bass from load-in to load-out. A green room is great; a lockable back room or office works too.
- A merch table or wall space near the entrance or bar, with light and a power outlet if possible.
- Access to a washroom.

MONEY & PAPERWORK

- Settle with Rob on the night, or with Meter Records if agreed in advance.
- Cash or Interac e-Transfer.
- Please have door count or ticket numbers ready at settlement for door deals.

Short version: water on stage, something to eat, a couple of drinks, a spot for the merch table, and a safe place for the instruments. Thanks for having us.
